**Illinois Liquor Control Commission (ILCC)
COVID-19 Related Enforcement
Guidance for Bars and Restaurants**

These are undoubtedly difficult times for all industry members and stakeholders. In addition to the ILCC COVID-19 temporary regulatory relief measures that can be found on our website, the ILCC will continue to remain responsive to needs within your district and provide support for compliance throughout the duration of the COVID-19 pandemic.

All regions of the State of Illinois have triggered additional mitigation strategies. Frequently asked questions regarding mitigation measures are answered for restaurants, bars, and social events at <https://www2.illinois.gov/dceo/Documents/Phase%204%20Business%20Guidance%20FAQ.pdf>.

Inspectors from the ILCC Enforcement Division provide onsite education and conduct liquor inspections at licensed entities throughout Illinois. Our Inspectors also respond to complaints received from the general public regarding violations, while serving as liaisons to local liquor commissioners and law enforcement agencies. As you receive COVID-19 related complaints concerning bars, restaurants or other ILCC licensed entities, your constituents can submit their complaints to the ILCC via our website at <https://mytax.illinois.gov/?Link=LccComplaint>. Your constituents can also reach us at 312-814-2206.

Information on the State of Illinois' central website for COVID-19 is available at <http://coronavirus.illinois.gov>. For additional information related to COVID-19 and the ILCC, please visit the ILCC's website at: www.illinois.gov/ilcc.
